“I became a Master Gardener to find out the difference between desirable plants and weeds and what to do from there. Not only was all that information and more available, but I also found a like-minded family that enfolded me into warm friendship. I love sharing my knowledge.”

-Caro, Class of 2014

“The Master Gardener program is a great

Extension Master GardenerSM Volunteers – Davie County

Upcoming Training Class

NC STATE

EXTENSION

Master Gardener | Davie County
Volunteer Association

Davie Extension Master GardenerSM Volunteers serve their communities by

- Offering gardening programs in schools and assisting with school gardens
- Educating others about gardening through educational booths at public events
- Having hands-on gardening activities at public school events like Farm Animal Day
- Assisting and instructing in community gardens
- Planning and holding Junior Master Gardener summer camps
- Participating in Davie's United Way Day of Caring
- Completing gardening-related service projects throughout their communities
