Presentations

4-H Presentations are a huge part of North Carolina 4-H.

It is one of the most successful ways to help a young person learn how to prepare and execute a public speech/presentation. It focuses on members teaching others what they know about a particular project/subject matter.

They are sometimes called demonstrations, illustrated talks or a formal speech.

You can find more information on the [4-H Awards and Incentives Programs](#) page.

You will find details in the 2024 4-H Awards Handbook.

County Activity Day

County Activity Day will be held on Thursday, May 9th. This event is a chance for youth to show off their presentation skills and tell us about something they are interested in and have learned about. Keep an eye out for times to sign up coming soon.
